Juvenile Circus

PARIS small boys have the circus and show fever. Since the Boone engagement here two weeks ago the small boys have been doing "blind-fold" driving acts in pony carts and laundry wagons and practicing hypnotism and high diving feats. Some High street boys turned over a pony cart the other day in doing a "blindfold" drive.

Talbot & Berry have posted bills announcing a Juvenile Circus to be given on July 11th and 12th.

PHYSICIANS advise keeping the feet warm in Winter and cool in Summer. George McWilliams sells the coolest Summer shoe on earth—the Hanan. Buy the Hanan and get wear and comfort.

In his forecasts for July Rev. Irl Hicks says: "We fear that much of our great, wide country will become so dry and warm that even the most timid will be willing to see the rising storm clouds, if perchance they give promise of rain and cooler weather. We are more than willing that this prediction shall prove incorrect, but fear that it will become a reality to many sections."

THE current number of *The Lost Cause* prints an excellent half-tone of Miss Mary Irvine Davis, of this city. During the recent Confederate reunion at Louisville Miss Davis was elected a member of the Ladies' Auxiliary of the L.B. Branch Camp, No. 515, U. C. V., Raleigh, N. C., in appreciation for contributing to their entertainment by her artistic recitations and charming manner.

WHILE riding a pony Friday, Jessie Hibler, daughter of Harvey Hibler, was thrown to the ground and the animal fell on her, breaking her hip. The many friends of the Hibler family hope that she will experience no ill effects from the injury.

THE Kentucky Chautauqua closed its fourteenth annual assembly at Woodland Park Friday at Lexington. It was the most successful in the history of the association. The effort on the part of the city of Ashland to secure future assemblies failed. The Executive Committee at its meeting Friday declined the proposition to leave Lexington.

A Pretty Cake Walk.

About 300 people witnessed the closing session of Miss Maud Stout's dancing school Friday night at Odd Fellows Hall. The leading feature was a cake walk by the children. Nine couples of dancers—Harmon Turner and Mary Nichols, Wallace Leer and Lizzette Parker, Charlton Clay and Corinne Collins, Will Kenney Ferguson and Martha Ferguson, Ileen Schwartz and Florence Fee, Guy Ferguson and Robert Ferguson, J. W. Walker and Martha Waller, Willie Parker and Nellie Brooks, Tommie Nichols and Ruby Stivers, with Judith Hukill as pilot, participated. The participants, every one, acquitted themselves with honor and reflected great credit upon their teacher. The judges awarded the cake to Willie Parker and Martha Waller, after a close contest with Wallace Leer and Lizzette Parker. The children were all splendidly trained and the entertainment was a perfect success.
